Board co-option – PRO/Marketing/etc.

Dear Members

For several years there has been a vacancy on the board for the so called PRO position – this is a vital position if we are to communicate properly, expand our profile, service our current sponsors and look for new opportunities.

The board at its last meeting on the 30 July decided to ask for a “volunteer” who would be willing to fulfil this position and assist us in this area.

The brief duties are as mentioned above with some specific key areas we would like to address

- Making sure our web site is regularly updated (using current system or new – any suggestions are welcome)
- Investigate the establishment and ongoing running of a Facebook page
- Regular press releases or organizing these – articles & photos

The board meets 10/9 times per year however it would not be mandatory for this member to attend every meeting although that would be ideal

If any interested members could please indicate their willingness to assist by e mailing the Union so we can contact them for further information

Many thanks

Allan Chadwick
