- 1) Coaches and gymnasts will be asked to respect the new equipment at the PMB Academy. The lovely new floor carpet is cream and a nightmare to keep clean. Coaches - socks only on the floor and gymnasts are asked to put shoes and sock on when moving between apparatus and to either compete in socks, or to remove their shoes and socks just prior to stepping onto the floor area to warm up and or compete.
Your kind co-operation in this regard will be much appreciated
