KZNGU CIRCULAR 12 / 2019

Sale of KZNGU Artistic spring floor

The KZNGU artistic floor which has been in use at the Pinetown Gymnastics Club since 2005 will be available for purchase “as is”.

The floor will be available 21 June 2019 – description as listed below

7 x 2m x 14 m Blue Spieth carpets which are bonded onto 30mm mat (they can be rolled up)
12 x 12 m sprung area comprising of 120 boards – one layer of 60 boards which have springs and foam blocks attached and 60 “top surface” boards that act as the joining mechanism and cover – attach via Velcro strips

NOTE :-

2 of the carpets have tears in them (mostly due to gymnasts lading outside the floor area on the “slope” of the carpet

2 carpets have worn areas due to use of the diagonal line

The carpets have lost most of their “pile” and have become difficult to join with Velcro – a stitched or glued flap may solve this problem

About 6 boards are damaged and would need to be replaced (this could be done as a DIY project using local boards and transferring springs from existing)

The floor is sold as “voets toets” and any potential buyer must be aware of the defects that are laid out above or any others that may be present due to its age.

Please address all bids and queries to admin@kzngymnastics.org.za by 7 June 2019

It is envisaged that the floor will be available for collection from the venue in Lahee Park latest 21 June 2019 – allocation of the equipment will be at the discretion of the KZNGU Inner Exco regardless of bids received - successful bidders/allocation will be announced via circular by 15 June – payment via EFT in full before collection should a bid be successful
